

Three course Sunday lunch From £15.95 per person at

The Lamplighter Dining ~ Rooms

At the Lamplighter we feel that the British Sunday lunch is the very heart of British family life and to which everyone has an emotional connection. It is the time for families & friends to get together and share great food, wine, conversation & memories.

*We have produced a menu offering the best cuts of meat that this area has to offer and serve this to you in the traditional style of the “**Great British Sunday Lunch**” - “**Family Style**”. The chosen cut is then **served whole** to your table along with the vegetable accompaniments and allows **you** to **carve** and serve yourselves. This ensures everyone gets exactly what they want whether it be Well Done beef for Granny from the end of the Sirloin or Dad’s Rare piece from the centre. You also have the guarantee that the products are delivered to you fresh and at their optimum and have not been standing for an undetermined amount of time under those hot lamps on the carvery counter.*

Bookings must be made by 6pm on Friday at which time you will also have to place your order for the meat to be served to you and your guests. Please note that guests must arrive for the booked time on the day as the cuts of meat can not be cooked from scratch and therefore timing is essential. If you have any family favourites from “sherry trifle” to “Scouse”, Leg of lamb to Belly Pork please do not hesitate to ask and we will do everything possible to accommodate your request.
